FIVE TIPS TO A GREAT SCHOOL YEAR:

1. **PLAN.** If you know what you need to have ready ahead of time, you will be better prepared.
2. **EAT.** Don't skip meals; this will interrupt your concentration not to mention it is bad for your health.
3. **SLEEP.** Instead of staying up late, try reading a book in bed.
4. **COMMUNICATE.** People can't read your mind. Don't hesitate to ask for help either; there is good advice out there.
5. **ENJOY.** These are the most fun four years...until college. Do your best, get involved in activities and have fun!
